JOURNEY

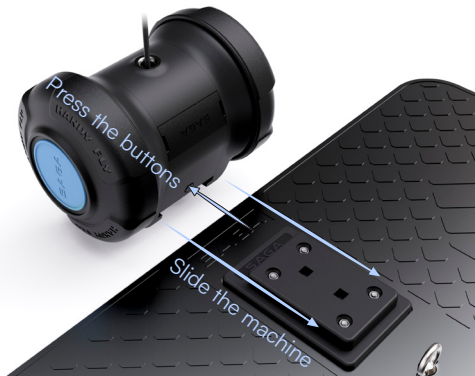

Step 2: assemble your system

SAGA™

ASSEMBLE YOUR SYSTEM

1) Align the Handy Fly rails with the mounting plate rails.

2) Press both safety buttons, slide in, and release to lock.

3) Stand firmly and adjust the rope length.

4) Attach the desired accessory to the carabiner.

5) Wind the rope using the knob, then put the cover back on.

SAGA

HANDY FLY

ASSEMBLE THE PULLEY ON THE PLATFORM

1) Attach the rope regulator to the platform eyebolt.

2) Open the pulley, place it on the rope, and close it.

3) Attach the desired accessory to the carabiner.

IMPORTANT GUIDELINES

Correct pulley position

The pulley must never be twisted

Maximum pull: 136 kg / 300 lb
