

For injury treatment, red and black is the new gold.

For the treatment and rehabilitation of post-operative and acute musculoskeletal injuries, the new gold standard is Game Ready®.

Game Ready simultaneously delivers intermittent pneumatic compression and adjustable cold therapy in one easy-to-use system—facilitating the two most difficult to manage elements of the proven RICE regimen (Rest, Ice, Compression, Elevation).

To help improve recovery for your patients, go with the injury treatment system chosen by pro athletes around the world. Game Ready.

Therapeutic Benefits*

Game Ready	Ice-Based Modalities	Ice & Bandage	
Intermittent Pneumatic Compression			
✓			More effective than static compression.
✓			Mimics natural muscle contractions, "pumping" edema out of the injured area, helping to reduce swelling which prevents tissue damage and encourages acceleration of the healing process.
✓			Stimulates tissue healing.
✓			Increases blood flow and delivery of oxygen to the injury site.
✓			Optimizes lymphatic drainage.
Compression (General)			
✓	varies†	varies†	Aids the prevention of edema formation.
Cold Therapy			
✓	✓	✓	Decreases pain, muscle spasms, and swelling.
✓	✓	✓	Reduces metabolic activity and cellular demand for oxygen to reduce tissue damage.
Intermittent Compression in Conjunction with Cold Therapy			
✓			Enhances intramuscular tissue cooling.

Product Benefits

Game Ready	Ice-Based Modalities	Ice & Bandage	
Temperature Adjustability			
✓	varies†		Treatment can be adjusted to the patient's tolerance level.
✓			Displays the temperature being applied to the patient.
Intermittent Pneumatic Compression			
✓			Improves contact between cold therapy (wrap) and patient.
✓			Allows selection of specific degrees of pressure.
Dry Application			
✓	✓		Prevents leaking—keeping wound, bandages, and bedding dry.
✓	varies†		Can be used directly over bandages and casts.
✓	✓		May be more tolerable than ice directly on skin.

Additional Benefits

- ✓ Pre-programmed treatment protocols aid compliance by allowing care provider to set treatment intervals and "walk away."
- ✓ Washable, replaceable protective Wrap Sleeves.
- ✓ Rechargeable Battery Pack for treatment wherever it's most convenient for you.
- ✓ One-year warranty against manufacturer's defects on the Control Unit and Heat Exchangers.
- ✓ 7-day warranty against manufacturer's defects on Wrap Sleeves.
